OTHER OPPORTUNITIES

Talk to us for other branding opportunities.

The production costs of any branding material is not included in the sponsorship price, and must be covered by the sponsor. The NK2023 organizers are happy to facilitate the production process, and will distribute items to the participants.

Any marketing materials for distribution to participants need pre-approval by the NK2023 organizers.

TRAVEL GRANT SUPPORT

Travel grants provide essential funds for students, trainees and junior faculty members to attend the meeting, and supports registration, accommodation, and flight. As this meeting gathers the entire international NK cell community, it is essential to support the education and networking possibilities of the next generation principal investigators in the field.

Sponsors will be branded at the Travel Grant Award Ceremony during the General Assembly of the SNI, and logos will be printed on the diplomas and in the final program.

EXHIBIT AREAS

The NK2023 meeting is intimate, with limited exhibitor areas. There will be opportunities for a limited number of small stands located within the mingling areas for the participants next to the main lecture hall and in the areas connected to the poster session hall. These areas are also where refreshments will be served during breaks and during the poster sessions. This is a great opportunity for the attendees to learn about the products and services offered by your company.

BOOKING OF STANDS

The stands are included in the gold, silver, and bronze sponsorship plans, but must be separately booked on a first come, first serve basis. Gold sponsors have exclusive exhibit rights during the Clinical Workshop.

STAND DETAILS

Each stand consists of one or two tables with two chairs, and electricity.

Complementary water, coffee and tea

Includes two exhibit staff badges, which allow access to the mingling areas.

Additional exhibit staff badges can be purchased at 3500 NOK/person.

Separate registration required to attend the conference.
